# WOMAN'S CLUB ANNOUNCES ITS PROGRAMME

## Twelve New Members Elected; Helps Scouts With Donation

The Woman's club of Torrance met at the home of Mrs. Frank Sammons, 1434 Guadalupe avenue, Monday, January 15.

Prior to the regular session of the club a meeting of the executive board was held and the twelve new members were elected. This gives the club a membership of ninety-five. It was voted to give a complimentary membership to the wives of the two Torrance ministers.

At 2:30 the regular session of the club was called to order by Mrs. Sammons. The minutes of the meeting of January 8 were read and approved, as were also the minutes of the executive board. The treasurer's report showed a balance in the general fund and an increase in the building fund from the proceeds of the card party given January 4.

Mrs. Curtis, chairman of the program committee, read the programs as arranged for the balance of the year. They will be:

January 22: Book review and talk on library work, by Mrs. Isabelle Henderson; illustrated travelogue, Torrance Welch. There will also be some musical numbers. This meeting will be held at the school house in conjunction with the P-T. A.

February 5: Valentine day program, in charge of Mrs. Briney.

February 19: Washington birthday.

March 5: Conservation. A good speaker will be secured on this subject and a tree is to be planted at this time.

March 19: Irish program, consisting of Irish songs and numbers.

April 2: Not arranged; in charge of Mrs. Fitzhugh.

April 15: Easter program.

April 30: Social meeting at the home of Mrs. Sammons. At this time the new members will be special guests.

May 8: Program not completed.

May 22: Primary election.

June 5: Final election.

June 19: Annual luncheon.

Mrs. Sammons reported on the meeting of the presidents' council held Saturday, January 13, at the club rooms of the Disabled Service Men on Hill street.

Mrs. Stone, for Mrs. Thomas, chairman of the committee on the Christmas tree, reported it a great success.

Mrs. Milburn, press representative, gave a report on the press conference held December 20 in the Junior Orpheum building, Los Angeles.

Mrs. Sammons read a letter from Mrs. Fitzgerald, state president, in regard to the official magazine, the "Clubwoman," asking that the members subscribe for it. Also that a number soon to be published will be an edition de luxe and will contain a list of California products of all kinds. As the women's clubs of California believe in buying California products. Mrs. J. H. Milburn, 1916 Andreo avenue, or postoffice box 806, will receive subscriptions for the "Clubwoman," which is one dollar a year or for the de luxe number, the price of which is ten cents.

Mrs. Gordon Groves resigned from the membership committee and Mrs. George B. Rue was appointed in her stead.

It was voted to hold a cooked food sale at the Parks plumbing establishment, opposite the postoffice, on Saturday, January 20. Every member is expected to send something.

A communication was read from the Boy Scouts asking that five dollars a month be given for ten months. After some discussion it was voted to donate fifty dollars for the work and that this money be raised by assessment against individual members of fifty cents. The Torrance theater to make up the difference.

Mrs. Louis Smith, Mrs. Stone and Mrs. Hansen were appointed a committee to purchase seven dozen plates and seven dozen cups. It was voted to assess each member the price of one plate and one cup.

The next meeting will be held January 22 at the school house at 2:30 and Mrs. Henderson would like the members to come prepared to ask questions.

## Church Social Well Attended

The social evening at the Evangelical church last Thursday evening was well attended and many visitors were welcomed and made acquainted with Torrance folks. The Sunday school orchestra played, the male quartette sang and community singing by all helped to make the time flit away as the pleasant hours passed. Refreshments were served at 10 o'clock. Each one attending the gathering was tagged—their name and native state appearing on a slip of paper pinned upon the guests. Practically every state in the union was represented.

About the only man who doesn't make a fool of himself occasionally is the one that Nature saved the trouble.

A Chicago man choked on a button in his soup. Maybe the soup was made out of "dressed" beef.

Prosperity gives us lots of friends. But it takes old adversity to prove that they are real.

# Can Find Aviators Says J. J. Boatman

A wire was sent President Harding last Friday by J. J. Boatman of Torrance to the effect that he would for the sum of \$2000 and ample protection go into the regions near the Gulf of Mexico and locate the airplane and "parts" of the two missing aviators. Boatman declares the flyers were murdered and only one leg of the men can be found, and that, lying in a mass of kelp, washed ashore. This incident was predicted two years ago by Boatman. The misfortune was written out and printed upon postal cards and one was sent to ex-President Wilson at that time. To date President Harding has not answered the telegram.

San Antonio, Tex., Jan. 18. All clues that might have been expected to lead to the finding of Colonel Marshall and Lieutenant Webber, lost air officers, have been traced and for the present the hunt is ended, it was said at Eighth Corps Area headquarters. Should any clue to their possible location be given, the government will trace it down, it was stated.

## COMPLIMENT TO TORRANCE

The Publishers' Auxiliary, a newspaper of national circulation, has the Torrance Herald listed as one of eight weekly newspapers in the State of California publishing a twelve-page paper every week. Scarcely a month passes that the Auxiliary does not mention the Herald in a complimentary way.
